Academic and Administrative Audit

Preface

The Academic and Administrative Audit of the Departments and Office was conducted on Friday, 15/07/2022. The Purpose of the Audit is to provide the opportunity for a regular strategic overview of the Subject Department's Teaching and Learning activity and the process of administrative work of Office. The proforma of each Department was presented to the Audit Committee. The Committee Members scrutinized the different aspects of the documents and authenticated them with the supporting evidences. This report consolidates the findings of the committee and put forth the suggestions and areas of improvement possible in the future.

Audit Committee Members

Academic and Administrative Audit

Administrative Audit

Sr. No.	Department	Observations	Recommendations	Grade
1	Office	Found following students enrichment program: 1. Institution's mission is explicit and understood and owned by the staff 2. Aims and objectives are in keeping with the mission and are realistic and achievable. 3. The institution has adopted a working definition of quality assurance which is compatible with its mission. 4. A systematic and comprehensive approach to quality assurance affecting all the essential services of the institution is being implemented. 5. A quality assurance handbook addressing all the affected activities is in evidence. 6. Principles of good governance are evident. 7. Encouragement for wide participation in the formulation of policies 8. Timely implementation of policies 8. Timely implementation of policies and monitoring thereof 9. Governing body being cohesive in its approach 10. Establishing effective links with external stakeholders 11. Developing an organisational structure which reduces bureaucracy and improves communication, efficiency and effectiveness 12. Proper budgeting and rationalisation of funds with justification, taking into	 Short term professional/skill oriented courses are needed to cater the need of the present time. Extra fund should be generated to create modern facilities for the student and staff. Teaching and non-teaching staff should be encouraged to participate in faculty development programs to enhance their skills. Infrastructural facilities should be increased. 	A

- account short term and long term goals
- 13. Ensuring cost effectiveness of programs
- 14. Effective internal auditing
- 15. Policies regarding admissions are clear, transparent and accessible by the public
- 16. Policy on equal opportunities is implemented. Consideration is given to physically disable and mature students
- 17. A body such as a Students Council is operational to represent students in various committees, including the Academic Board.
- 18. The Council's voice is taken to the management and appropriate action taken
- 19. An office for students' welfare is operational and it is actively supported by management
- 20. institution has well established policies for appointment, appraisal and promotion of staff and that these policies are effectively implemented
- 21. These policies are reviewed to reflect changing circumstances
- 22. Staff resources are effectively deployed: roles and relationships are well defined and understood; duties allocated are appropriate to qualifications, and experiences.
